

## VALVE & SEATS

TEXMA's high performance valves and seats features:

- Forged alloy steel AISI 4119 construction
- Heavy-duty valve design
- Deep carburized wear surfaces
- Heavy-duty durable retainer threads
- Taper post-heat treat machined to eliminate distortion
- Precise machined to API standards
- Available in sizes to fit all major mud pumps
- Expansive range of valves and seats
- Premium Cross Arms valves and seats
- Long-life valves

We offer additional products for requirements met by hardened or stainless steel valves, including elastomer-insert valve seats.
